Hello Phan!

I would like to get new no parking signs for our weekly Westwood Village Farmers' Market on Thursdays. The signs we have are very old and faded, they are virtually unreadable. I believe these signs are more than 2 years old. I know we paid for new signs in 2016 not 2017. Is there a way to double check when the signs we have now are from, if they are as old as I think, can we get new signs by this Thursday, February 15th without the added cost?

Permit No: 20170604-2017_Pr_01

Please let me know if you have any questions.

Thanking you in advance!

Sincerely,
